Dear Chef Jack,

We would like you to know that we were very pleased with the presentation and the quality of the food for our daughters wedding reception on the 20th of August, at the Eisnor Museum.

We have had 100% praises from our guests and friends. It goes without saying, that if needing a caterer again, we shall certainly call you. Another plus was the obvious professionalism of the wait staff. You have trained them well. Because of this, the party was a smashing success.

Thank you,

Mr. & Mrs. Robert
