

Dear Staff at Chef Jack's,

Another wonderful event! Thank you so much for helping to kick off our 40th Anniversary tour in grand style. As always, the food was delicious. I received numerous comments about the food asking who our caterer is. I also can't say enough about your terrific staff.....professional, courteous, friendly, efficient. Rose was a great room Captain. I always get first class treatment!

A special thank you for accommodating the number change at the last minute! I would definitely recommend you to anyone planning a catered event.....and do!
