Dear Chef Jack,

I would like to express my sincere thanks to you and all your employees for the service that was provided to Mercury Marine for our outing at the Milwaukee Zoo on September, 10. The service was flawless from the time our event started until the end of the day. Your immediate attention to the extra food that was needed in the evening was greatly appreciated.

Your assistance as well as Tony's & Candy's was very helpful in planning this huge event. Sue and I are very grateful for the tremendous amount of work that you put into Mercury's first outing at the Milwaukee Zoo. Without your help it would not have been such a success!

I heard numerous compliments regarding the professional service that was provided to our employees and their families. Thank you again for your hard work and dedication in making Mercury Marine's summer outing a wonderful event!

Sincerely,

Dennis
