Hello Chef Jack's,

We wanted to send a big thank you for your wonderful catering and services for our wedding on October 27<sup>th</sup> in Lake Geneva! Everything was absolutely delicious, with the service and presentation being fabulous. Scott and I appreciated the professional manner of the Chef Jack team that night! We received many compliments on the food and service as well. Many people complimented Chef Jack's on having the best 'wedding food' they have ever had!

Should you ever need a reference for your future wedding couples, we would be happy to be one for Chef Jack's.

Have a wonderful and prosperous 2007!

Kind regards,

Heidi and Scott
