

Eric,

It has been a joy to work with you. I am hoping to do a little traveling and I am in the process of writing two more family cookbooks. I try to do my writing during the winter and early spring so haven't had the kind of time I need to do these things. I remain VERY active at our Church as a member of the Leadership Board, Stephen Ministry outreach and Prayer ministry. I will fondly remember the time spent with you, Candy and Jack.....my dream job would be that of a chef. God Bless all of you and hopefully I will enjoy your food for years to come at the Auction and elsewhere.

Best wishes to all of you,

Mary
