

Thank You

Candy,

Thank you for an outstanding job on Wilder.
Toyota's Grand Opening Events of 3, The food +
service was complimented at the dealership by
employees + guests on both nights. You + your staff
did an excellent job.

The Dinner Event wow'd everyone from the salad to
the main course to dessert. All of the guests were
totally impressed at the quality of the dinner when
serving so many people. The combination grill was
enjoyed by all + many wanted to know if there was
a restaurant that they could go to enjoy that meal
again.

Thank You So Much!

Plus: Thank you for assisting with coordinating all the many
details to put the event together!
