

Hello!

Just wanted to say THANK YOU so much for catering our wedding on Saturday. (we leave tomorrow on our honeymoon, can't wait!). We received SO many compliments on the food it was unbelievable. The food was hot, tasted exactly how it did in your office and the presentation was gorgeous.

Brian's Aunt and Uncle own a catering business in Chicago and said the food was wonderful but most specifically commented on the "impeccable service."

(I can't remember the servers name but she had chin length blonde hair and was SO attentive to us--she was there at the end of the night and was absolutely wonderful!) We had our food not 5 minutes and it seemed like every table was already served! The cake presentation was absolutely wonderful--LOVED the strawberries and raspberries--delicious! The cordial cups were an absolute hit (my mother-in-law helped herself to 15--everyone at the table kept giving them to her but she reminded us "but I didn't eat all the chocolate cups, just drank the Bailey's" ) We actually did get to have some hors 'deourves and ate almost our entire meals--wonderful food!

Thanks again for a worry-free night. You are truly awesome caterers and we'd recommend you anytime.

I will send pictures when we return from our honeymoon. Special thanks to Candy for all the help!
