Dear Chef Jack's Staff,

Thank you so much for the wonderful job your entire staff did catering our wedding. We could not have asked for better service. The whole planning process was seamless. From our tasting to quick e-mail responses to the final walk through. Eric was always quick to respond to every e-mail. Candy had great suggestions and was a joy to work with. Finally - the staff the day of our wedding were professional, →

accommodating, very helpful and took very good care of us. It was so nice to sit down to the glasses of champagne that we had missed. Thank you for making our wedding day a joy & ensuring that everything ran smoothly.

Thank you,  
Erin & MIKE
