Chef Jack and your staff -

Another heartfelt thank you for your outstanding performance (food, service, staff, and everything that it takes) for our daughter Laura's (and our new son-in-law Aaron) wedding reception. This was our second daughter's reception (and unfortunately our last daughter) that was catered by you - and it was as superb and wonderful as the first one!! Kudos to all of you! Keep up the great work.

Sincerely -
Mary Alice and Larry
