Jack, Candy + Eric,

Thank you so much for the wonderful job you did catering Melissa's wedding reception. Your attention to detail, especially when it came to grama's cookies, is greatly appreciated. Everyone raved about the food - it was awesome!

Everything looked wonderful and you all took charge so we didn't have to worry about anything and could kick back + enjoy the day.

We will definitely recommend you to all our friends. You helped make the day special.

Thanks again.

Maggi
