Dear Chef Jack, Candy, + Eric,  
Thank you for the wonderful  
dinner that you provided  
for our daughter's wedding on  
July 26<sup>th</sup>. The food was  
excellent! We are still  
receiving compliments from  
friends and relatives who  
attended. Pam and the crew  
who were responsible for the  
meal and service were all  
outstanding. They were  
friendly, helpful and very  
professional. We appreciate  
that they were flexible and  
maintained a positive attitude  
in the warm weather, as our  
event was held outside at our  
home. We also appreciate your  
recommendation of using  
"Canopies" to supply the tent,  
tables, and chairs. Our tent was  
beautiful and very clean. The  
set-up crew was very efficient  
and was able to accommodate  
some last minute changes. It  
was a beautiful and magical  
day for our families. We have  
been happy to give "Chef Jack's" the  
highest recommendation possible  
when talking

to people about our experience  
planning and hosting a home  
wedding. Thank you so much!

Thanks Again! Tom + Heidi

we had  
fun because  
we didn't have  
to worry about  
the food +  
service!
