

Hello everyone at Chef Jacks!

I have to tell you that we had so many compliments on the food at Liz and Joe's wedding. Everyone thought the attention to detail, the choices, the presentation, and especially the taste were exquisite! We were also impressed at how well everything was coordinated with the other aspects of the celebration. It was wonderful to be able to enjoy the day, rather than worry about all the details you and Katrina handled so beautifully.

Again, thank you for providing us with a memorable event!

P.S. The Baileys cordial cups were definitely a hit!
