

Good Morning Candy...

I did not want another day to go by without telling you what a superb job you and Chef Jack's staff did for the Sanders-Barta/Rindahl wedding. The food (from appetizers to entree to the chocolate filled cups at the end)was fabulous.....beautifully presented.....and everything was cooked perfectly. The filet mignon was medium rare, the chicken en croute was moist and delicious, the vegetables were al dente.... the tiny potatoes were exceptional..... I look forward to recommending and working with you and Chef Jack at future events.
