Chef Jack's
215 South Street
Waukesha, WI 53186

Dear Chef Jack and Team:

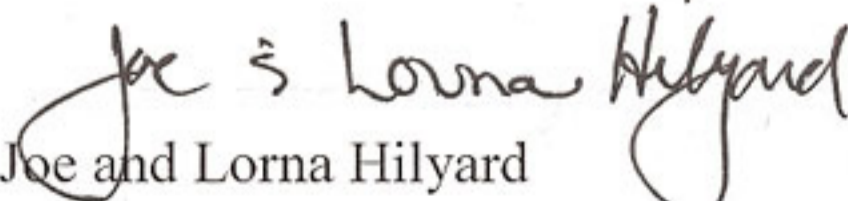

Sorry to be a bit late with this letter, but we want to thank you all for making August 28 a wonderful wedding day for our son, Jonathan, and his bride, Christina, at the Schlitz Audubon Nature Center, in Bayside.

Every aspect of the catering was excellent! Many of the guests commented on the delicious and well-presented food, the thoroughly professional service, and the beautiful table settings.

The young woman who led the Chef Jack's team (I'm sorry we don't recall her name) was just outstanding. She put us at ease from the outset, and she and all of her co-workers (including those who managed the bar service) did a great job throughout the evening.

We will certainly recommend Chef Jack's to anyone who asks us about catering their event!

With best regards and many thanks,

Joe and Lorna Hilyard
