Chef Jack's Catering
215 South Street
Waukesha, WI 53186

Dear Chef Jack, Candy, Eric and all,

As always, thank you for helping to make Direct Supply's annual summer picnic at the Zoo a huge success! Our group just loved the food and the western décor was so fun. It was a perfect day outside.

Your staff as usually was fabulous, efficient and most importantly very friendly. Thanks again for everything. I give your name to everyone who asks me for my favorite caterer! You always make me look very good and I appreciate all your hard work. I look forward to working with you again soon.

Sincerely,
